## TO WHOM IT MAY CONCERN

In December 2023 I was approached by Andre Kisten from Trafford Packaging to assist with helping complete a building which was going to be a hall for the children.

Mr. Kisten brought in builders, purchased all materials and started building and completed the building including purchasing paint and paid for all labour.

To my understanding this project could have costed him in the region of R40, 000. 00 or more.

Thank you

Kind regards

Colleen Visagie
