RE:Letter of Appreciation for Your Ongoing Support in 2024

On behalf of Generation of Radicals (GOR), a registered non-profit organization, we wish to extend our heartfelt gratitude for Trafford Packaging's unwavering support throughout 2024. Your partnership has been instrumental in driving our community development initiatives, feeding programs, and disaster relief efforts.

Thanks to your consistent contributions, GOR has been able to achieve the following milestones:

1. **Monthly Feeding Programs:** Providing vital aid to feed approximately 5,000 people every month, ensuring that vulnerable individuals in our communities have access to essential nutrition.
2. **Weekly Bread Distribution:** Supporting over 300 pensioners weekly in the Dolphin Coast area with the distribution of fresh bread, fostering stability and care for our elderly citizens.
3. **Disaster Relief Efforts:** Delivering aid to those affected by natural disasters, assisting in rebuilding homes and restoring hope for displaced families.
4. **Winter Warmth Campaign:** Through your annual partnership, we were able to provide blankets and duvets to 1,000 individuals across South Africa, offering comfort and warmth during the harsh winter months.
5. **Christmas Initiatives:** Your support during the festive season enabled us to:
 - o Partner with children's homes such as St. Martin's Children's Home to bring joy and gifts to young hearts.
 - o Aid rehabilitation centers like Jump Youth Mission with resources and holiday cheer.
 - o Organize community Christmas drives in areas like Gledhow, distributing party packs, toys, meals, and hampers to spread festive cheer.

Your generosity and commitment have profoundly impacted countless lives, and your belief in our mission fuels our efforts to serve our communities better. Your partnership exemplifies the spirit of corporate social responsibility, and we are proud to have you as a cornerstone of our initiatives.

Once again, thank you for your continued support and partnership. Together, we are making a tangible difference in the lives of those who need it most. We look forward to working alongside Trafford Packaging in 2025 and beyond to build stronger, more resilient communities.
